

Dear Business Owner/Marketing Manager,

Each day there are 43 children diagnosed with cancer. Our son, Keith, was one of those children and ultimately, he lost his battle with the disease. After watching our son suffer and as we carry the daily heartache that comes with losing a child, we are determined to ease the burdens of those directly affected by childhood cancer. We believe the best way to ease those burdens is through childhood cancer research to find more effective treatment and ultimately find a cure.

In response to the lack of Federal funding (less than 5%) for children's cancer research, we have directed the Hero-Up Half-Marathon & 5K for the past four years. Our first few events were a tremendous success. We've grown the number of participants each year with 500 registered last year. The response on social media has been encouraging with almost 900 "Likes" on our event Facebook page. In addition to runners, there were over 80 volunteers and numerous spectators at our event. We also had a stellar turnout for our Kids Race.

The feedback from the running community has been overwhelmingly positive as we were named one of the best half-marathons in Oregon by Run Oregon in 2015. But most importantly, **we donated \$21,000** at the end of 2016 to the Pediatric Brain Tumor Bank Lab at OHSU Doernbecher Children's Hospital and to the Children's Cancer Therapy Development Institute. That brings **our total research donation amount to \$63,000**. Our donation goal for 2017 is \$25,000.

This year's event will be on September 2nd at Cook Park in Tigard. We hope to increase our participants from last year and we will continue to have a Virtual Run. Similar to last year, participants are encouraged to dress as superheroes in honor of those true little heroes fighting cancer every day.

100% of our race net proceeds will go directly to help fund childhood cancer research.

We are looking for businesses, like yours, that would like to partner with our event as a Partner-in-Kind. Enclosed is additional information as to the various levels of opportunities. Your sponsorship dollars and/or contributions are tax deductible and every level of sponsorship comes with marketing benefits.

Please feel free to contact us with any questions you have regarding sponsorship of this year's Hero-Up Half-Marathon & 5K by emailing us at info@hero-up.org or calling us directly at 617- 543-5522. Thank you very much for your time and consideration.

Sincerely,

Darcee Burnett (Keith's mom)
Race Director
